## The Importance, Aims and Prayers for Jalsa Salana in the Blessed Words of The Promised Messiah

### Importance

“Do not consider this Jalsa to be the same as the likes of any ordinary worldly gathering. Rather the case of this is such, that it is founded upon the pure support of truth and the propagation of Islam. The foundation stone of this community has been laid by Allah the Almighty Himself, and such nations have been prepared that will soon come and enter its fold. This is because it is the work of that All Powerful Being, for Whom, nothing is impossible.” (Ishtihar December 7, 1892)

### Aims and Objectives

“The key purpose of this convention, is to enable every sincere individual, to personally experience religious benefit, to broaden their knowledge and to deepen their understanding of Allah The Almighty, by the grace and opportunity given by Him.” (Ishtihar December 7, 1892)

“This is one of the needs of this Jalsa that strategies for the spiritual well-being of Europe and America should be put forward. For this is now a proven fact that good-natured and sincere people of Europe and America are preparing to enter the fold of Islam.” (Majmooa-e-Ishtiharat page 340)

“This gathering will be devoted to the exposition of such truths and spiritual insights as are necessary for the promotion of faith, certainty and spiritual understanding. Moreover, there will be specific prayers and attention given to the participants and we shall endeavour to the best of our capabilities, to supplicate at the threshold of the most Merciful, that He may draw them towards Himself, accept them and bring about a pious change within them.

## The Importance, Aims and Prayers for Jalsa Salana in the Blessed Words of The Promised Messiah

“An additional benefit of these gatherings will be that the new comers to the Jama'at each year shall also be present on these specific dates and will then get to know their brethren who had joined earlier. These meetings will lead to progressive strengthening of a bond of mutual love and affection. Similarly, prayers for the forgiveness of such brothers who have passed away in the interim will be offered, and supplications shall also be made at the threshold of the Glorious God that he may unite all these brothers in spirit and banish any element of dryness or hypocrisy from amongst them. This spiritual convention will have many other spiritual benefits which will manifest themselves from time to time. Those suffering from scarcity of means would be well advised to plan ahead for attending this Jalsa.”

(Asmani Faisla Page 352-Rohani Khazain Part 4)

### Prayer

“I pray that may Allah be with all those who are travelling in order to attend this Jalsa for the sake of Allah and may He bestow great rewards upon them, show mercy to them, alleviate their states of trouble and tribulation and remove from them their hardships and sorrows. May He grant them freedom from all afflictions and enable them to attain that which they desire and raise them up on the Day of Resurrection amongst those to whom He has shown His mercy and grace, and so that He may be their protector till the end of the journey. O’ Allah ! O’ Bestower, Benevolent and Merciful! O Remover of hardships! Hear these supplications of mine and grant us victory over our opponents by aid of great and clear signs, for You are the possessor of all power. Ameen and Ameen once again.”

(Ishtihar December 7,1892)

## BLESSED GUIDANCE OF SYEDNA HAZRAT AMEERUL MOMINEEN KHALIFATUL MASIH V

May Allah the Almighty make all the participants live up to the expectations of the Promised Messiah and may all attendees be the recipients of the blessed prayers of the Promised Messiah in their favour. Attending the Jalsa is not like attending any worldly convention. The participants should therefore focus their full attention to attain religious and spiritual growth. The Holy Prophet taught us to say this prayer when we go to temporary dwellings so no harm will come upon us.

**“I seek refuge in all the Divine words of Allah and seek His shelter from all evil.”**

As you all know, Allah has told us that in order for our prayers to be accepted by Him, we have to do full justice to His worship and act upon all His commandments. During these days, mould your lives accordingly and all good habits developed during this period should become a permanent feature of your lives.

The passion to serve the guests of the Promised Messiah has put a student, a labourer, a businessman and a high official, all at one level. Those guests who sometimes behave wrongly with the workers should try to control their emotions and should be mindful of workers' self-respect.

The guests should be thankful to Almighty Allah for whatever facilities are available and should also be grateful to the volunteers who work day and night and strive to do full justice to their responsibilities. Spend these 'three' days thinking how you can please Allah, seeking His blessings, His mercy and protection from evil.

The world these days is becoming increasingly unstable and is full of threats. Pray particularly seeking safety and protection of Allah from the evil & vicious

**BLESSED GUIDANCE OF SYEDNA HAZRAT AMEERUL MOMINEEN  
KHALIFATUL MASIH V**

Pray particularly seeking safety and protection of Allah from the evil and vicious designs of the wicked.

Indeed, the Ahmadiis attending the Jalsa Salana are guests but they are not destined to be guests only. They actually join to acquire the blessings of Jalsa. It is the beauty of Jama'at Ahmadiyya that all Ahmadiis are part of the system whether they are workers or guests. Participants should remain vigilant particularly in the parking, scanning areas, food marquees and Jalsa Gah. Watch for any abnormal behaviour. If you notice anything unusual, alert the Jalsa administration immediately along with your own continued vigilance. However, in any case, there should be no panic.

Once again, I will remind all participants to keep themselves busy in Prayers, Salat, Nawafil, remembrance of Allah and Darood Shareef. May Allah bless this Jalsa and protect us from all evil, Ameen.

It is VERY IMPORTANT that Jama'at members comply with these rules, obey driving regulations including speed and drive in a considerate way at all times. ***Please note that these rules are subject to change and it is strongly recommended that you look at the Jalsa Salana UK Website for any updates or changes.***

Please also note that Jama'at accepts no liability for loss or damage to any vehicle that enters any Jama'at premises. Parking or driving your vehicle in Jama'at premises is done at your own risk.

### Special Road Signs for Jalsa
